

# Luxury and Convenience

Heated fog-free shower mirrors add style and functionality to daily routines for men and women.

Introducing a great way to differentiate your bath design. Shower *ClearMirror* is quickly gaining popularity around the country as the **ultimate shower amenity**.

The Shower *ClearMirror* is the perfect amenity for your master bath design. The luxurious look of the mirror set flush with the tile will definitely add to the sense of style you are trying to achieve in a bath renovation ... for **under \$300**.

Gentlemen will absolutely love shaving in the comfort of the shower. And ladies will enjoy the speed and ease of removing makeup and applying facial treatments in the warmth of the shower.

## Patented, Safe and Easy to Install

With our patented design, we are the sole manufacturer of electric heated shower mirrors that gently warm to 102° F and eliminate condensation. We use low voltage and carry UL, C-UL and NY City BEC approvals to ensure safe operation.

The back of the mirror contains an ultra-thin heating pad with electrical leads that are easily connected to a low-voltage system or a switched outlet.

## Perfect for Shaving and Facial Treatments

The hot steam of a shower is the ideal element for the perfect shave and also aids in removing makeup. You will love the benefit of managing these daily tasks in the shower.

And with Shower *ClearMirror* all the mess is washed down the drain and not left on the vanity.

Enhanced Styling and Reduced Cleaning.
